BERWICK BOAT TRIPS

Our trips provide the ideal opportunity to enjoy unsurpassed views of the town of Berwick-Upon-Tweed. Our Trips sail past several historical sites and illustrate much of the shared English and Scottish border history. Inland (Chain Bridge Trip & Bridges and Castle Trip) you might see wildlife such as herons, cormorants and swans while on our Sea Trips (Estuary Trip, Boat Trip, Seafari Trip, Coastal Cruise & Sunset Trip) you might be lucky enough to spot seals and dolphins.

OUR TRIPS

Chain Bridge Trip - Taking you from town to countryside at a leisurely pace, sailing through the lower bridges, passing Paxton House before reaching the 200 year old Chain Bridge.

Time: 2hrs. (approx)

Bridges and Castle Trip – Spectacular views of the historic town, passing under the bridges and out into the open countryside.

Time: 1hr. (approx)

Estuary Trip – Sailing out of the mouth of the River Tweed and into the North Sea, enjoying historic views of the town and looking at wildlife (sea-birds, gannets etc. and hopefully seals and dolphins).

Time: 1hr. (approx)

Boat Trip - Combining the best of our Bridges & Castle Trip and our Estuary Trip that tide and weather will allow. Great for scenery and wildlife.
